Terms and Conditions:

**Section 2 - GENERAL TERMS AND
CONDITIONS OF EMPLOYMENT 2.1**

Introduction

For the majority of staff, the terms and conditions of employment, including certain provisions relating to working conditions, are covered by collective agreements negotiated and agreed between Trade Unions, Staff Associations, managerial authorities and the Department of Education and Science (D.E.S.) in respect of the employment group to which you belong. These terms and conditions are usually contained within circular letters issued by the Department of Education and Science.

For staff members whose terms and conditions are not covered by any specific D.E.S. circular letter, Co. Donegal VEC will seek D.E.S. approval to link such staff with established grades with Co. Donegal VEC.

Every staff member will be issued with a Contract of Employment. This contract details the main terms and conditions to the post that an individual is appointed to. A member of staff will receive an Amendment to Contract should any of the main terms or conditions of the original contract change.

As required under the Terms of Employment (Information) Acts, 1994-2001, each contract will include the following, as a minimum;
